

Entry

Falkvarv AB

Registration to the person in charge of ISPS, Ken Johansson is mandatory. Registration upon arrival at Falkvarv AB at the latest.

First and foremost, we would like for you to pre-register by mail to: ken.johansson@falkvarv.se.

Information to specify: Vessel to be visited, Name, social security number/passport number.

Employer (Company of employment): Date of arrival and estimated date of departure.

In case of multiple workers from the same employer it is possible to leave a list with the information.

Upon arrival to Falkvarv, each worker will receive a personal card.

Access vessel

Before you embark, you are to leave your personal card in a locker by the gangway.

When leaving the vessel you are to retrieve your card from the locker. This is to know who is onboard the vessel at any moment in case of emergency.

Fire alarm

Follow the guide below in case of fire.

<p>SAVE First and foremost, those in immediate danger.</p> <p>WARN OTHERS Warn others in danger of the fire.</p> <p>ALARM (Call 112) Call emergency service by phone: 112. Answer the emergency dispatcher's questions.</p> <p>PUT OUT FIRE Put out the fire if deemed possible</p> <p>EVACUATE Evacuate by closest escape route. Proceed to reassembly point: Beneath the gangway.</p>
--

Even if no fire has occurred, all shall stay at the reassembly point until a person in charge from Falkvarv has accounted for all and informed what applies.

In the locker by the gangway you can find name and phone number to the person in charge.

Additional information

As always the "Safety regulations at Falkvarv AB" and "SAFE 18" routine applies.
